**The Lidl Farm**, developed in partnership with AgriAware, is a free educational experience which offers primary school children the opportunity to learn how their food gets from farm to fork. **The Lidl Farm** has welcomed more than 4,000 primary school children.

Eight acres of land in Newbridge Co. Kildare awaits primary school children for them to explore and learn how crops are grown and how they end up on **Lidl's** supermarket shelves.

The farm to fork experience also offers a tour of one of the busiest distribution centres in Ireland on the **Lidl Farm Train**.
