Fantastic Easter Moments

Easter is fast approaching and with it comes the chance to Go Full Lidl as we bring you a sumptuous array of holiday food and drink, fresh-cut flowers and bouquets and lots, lots more.

There's no finer way to celebrate Easter than with a succulent leg or rack of Lidl Deluxe Irish lamb, roasted to perfection with loads of veggies and a generous helping of mint sauce.

We also have equally tempting Deluxe cuts of Irish beef and pork; whole ducklings and turkeys; and delicious seafood, meat-free and plant-based options to feast on.

Lots of, er, bunny business will be going on this Easter as the country is gripped by Egg Hunt fever. Whether you're a devious hider or a sleuth-like finder, the day will doubtless end in some serious munching with an eggs-travagant range of chocolate treats to be found in-store.

If you want to have some family fun in the kitchen, we've everything you need to create perfect homemade cakes, cookies and extra chocolate-y Easter cupcakes. And you can say "Sláinte!" to friends and family with one of our handpicked white, red, rosé or sparkling wines.

From crisp Sauvignons and full-bodied Pinot Noirs to refreshing Rieslings and Proseccos that go "pop!" you'll find all of your favourites rated out of 100 by our internationally-renowned Master of Wine, Richard Bampfield who provides tasting and pairing notes throughout this special magazine.

Whatever you're planning this Easter, all of us at Lidl wish you a happy and chocolate-filled time!

FLOWER POWER

If there's anybody who doesn't love receiving the gift of fresh-cut flowers or a plant at Easter, we've yet to meet them!

Our beautiful bunches and bouquets add vibrance and perfume to any room. They're also a welcome reminder that after a long, cold winter, spring is here with a vengeance!

If you haven't already, why not introduce the kids to the fun of flower arranging whilst nibbling on the odd chocolate Deluxe Easter Bunny or four?
