## Padding Guidance from the Royal National Lifeboat Institution in Ireland

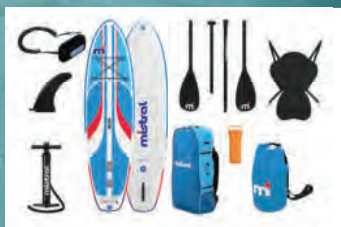

- Always wear a buoyancy aid or personal flotation device (this is in addition to your paddle board)
- Ensure you wear the correct leash when stand up paddle boarding
- Have the right equipment and clothing for the conditions
- Plan your trip within your ability
- Check weather, tides, water levels and hazards at the coast
- Avoid paddling if there is an offshore wind
- Carry a means of communication on your person
- Inform others of your plan

Scan this QR code for guidance on safe paddleboarding

IN AN EMERGENCY CALL **999** OR **112** AND ASK FOR THE COAST GUARD

I'm New!

From Thursday  
16<sup>th</sup> May

**Ian Mourão**,  
our resident  
plants & flowers  
expert.

### Ian's Top Tips:

Light is key with this plant! Place it in a location where they can receive good sunlight for a few hours per day!

When watering, water the plants regularly, keeping the soil evenly moist but not waterlogged. Allow the top inch of soil to dry out slightly between waterings.

By removing dead parts of the plant regularly you will encourage continuous blooming throughout the season.

## Extra Large California Lilac
